CAPACITI

A highly motivated and aspiring IT enthusiast with a passion for technology, seeking to leverage professional training and hands-on experience to contribute to a dynamic team. As a Graduate Intern, I have embarked on a comprehensive internship program designed to provide hands-on experience and training in data analytics, SAP & cloud computing, cybersecurity, and Python programming. While I have developed a broad skill set across these areas, I am particularly interested in pursuing a career in SAP. I am keen to apply my technical expertise to SAP roles.
